MORE MONEY FOR JUMPERS

Racing Associations Announce Increase in Added Money.

Gratifying Distribution of Last Year Will in All Probability Be Surpassed.

(By Frank J. Bryan).

New York, January 22.—When the Maryland Jockey Club announced a few days ago that its program for the spring meeting will include, among several new events, a steeplechase to which $5,000 will be added, the plan was generally approved, as it is apparent in turf circles that steeplechasing is making great strides in public favor, well justifying all movements to enhance it as an attraction at the regular meetings.

The Queen's County Jockey Club is out with the news that it will increase the added money in its two stakes for jumpers, making an addition of $300 to the old figures of one, and of $200 to the other. This is to be commended, for it forecasts an upward inclination, and it is all but assured other associations will follow with better inducements, realizing the growing boom in this class of racing.

The distribution made last year for the jumpers were as follows:

Pimlico (26 days)	$36,940
Belmont Park (30 days)	26,010
Aqueduct (34 days)	21,109
Saratoga (26 days)	18,445
United Hunts (3 days)	17,700
Piping Rock (4 days)	17,500
Laurel (27 days)	12,515
Havre de Grace (30 days)	9,070
Total	$159,080

To this must be added some generous contributions made at the Hunt meetings, which were run under the auspices of the Rose Tree Fox Hunting Club, the Rockaway Hunting Club, Warrenton Hunt, White Marsh Valley Hunt, Huntingdon Valley Hunt and several more less important meetings. The total for the year was close to $175,000. This is the best showing in many years and is made more pronounced by the fact that many meetings were called off, owing to war conditions. Brookline was one of the several missing from the list and this was a material loss, for its program always included half a dozen rich fixtures.

DEVEREUX ON HUNTS COMMITTEE.

Captain A. J. A. Devereux has been re-elected to represent Pennsylvania on the Hunts Committee of the National Steeplechase and Hunt Association, for 1918. As his duties with the War Department will, of course, keep him busy, Charles E. Mather, M. F. H., of the Brandywine Hounds, will act as deputy during his absence. The last-named, while better known in hunting circles than among racegoers, has always been a keen supporter of the turf, a breeder on rather a pretentious scale and a leader when it comes to anything for the advancement of amateur sport. His being on the committee assures a help to his fellow members and will serve to keep active the interest in the Hunt meetings, which are now a regular institution in his home state. Mr. Mather's two sons, Gilbert and Victor, are in the army. Both are top-notch horsemen when following the hounds and in cross-country steeplechases.

Captain F. S. Von Stade arrived in New York Saturday for a short visit with his family. Since last June, when he donned a uniform, he has been in the far west buying horses for the quartermaster's department and from all reports his work has been brilliant. In fact, experts rate him as one of the best of the many practical men sent out by the government.

Walter Noe, the steeplechase rider whose license was revoked last summer, is seeking reinstatement.

SCARCITY OF STEEPLECHASE RIDERS.

The scarcity of steeplechase riders, due to the call to the army and navy and other branches of government service, has brought about a movement to make formal application to the several racing associations to include in their list of steeplechases at least one race at each meeting for riders that have never ridden the winner of a jumping race. This plan has been in practice at Pimlico for several years and has worked to the complete satisfaction of those responsible for it. In almost every stable which races jumpers, there are one or more schooling boys, who are really capable horsemen, but who never get a chance to show their skill under colors.

Owners are naturally unwilling to put up the novice when they are to meet the finished riders, but welcome the chance when they are to compete with the non-winners. Each of these races which have been run at Pimlico, has brought into prominence boys for whose services a demand at once developed and they have been rated among the top-notchers since.

There is little question but the plan will go through, for it will carry the endorsement of practically all the owners that go to keep up the standard of this class of racing. It will certainly bring to the front some available talent and perhaps make it unnecessary to call on the "has been" riders, old and inactive, to fill the gaps made by the call to colors of so many of the younger division. Canada will adopt the plan as soon as racing is resumed in that country.

CURRENT NOTES OF THE TURF

John Boles, a widely-known sportsman and former bookmaker, died recently in the Stamford Hospital at Greenwich, Conn., of pleuro-pneumonia.

Jockeys riding at the Fair Grounds are being warned to exert more care in rounding the turns. Severe penalties are promised for any cutting across or bumping, as it is this roughness which often causes serious spills.

Bondage, owned by Mrs. James Arthur, returned to the track after an absence of nearly a year. He ran in the Jackson Handicap Saturday at New Orleans and, though he finished second to last, he showed every indication of having recovered from the illness which forced his retirement for so long.

Next Saturday's features at the Fair Grounds will be the Municipal High-Weight Handicap and the City Park Selling Handicap. In the High-Weight event the best sprinters at the track are expected to face the starter under steadying imposts and the race will bring out everything there is in a horse. The City Park Selling Handicap will find the best platers measuring strides.

EARNINGS OF THE THIRTY MOST SUCCESSFUL FIVE-YEAR-OLDS IN THE RACING OF LAST YEAR

By far the best five-year-old engaged in the racing of 1917 was H. P. Whitney's splendid mare, Regret, the best as a racer of the last decade and fully entitled to rank with Firenze, Miss Woodford, Imp, Artful, Beldame and other Queens of the Turf. In the intent to preserve her vitality unimpaired, she was not raced often and consequently had no chance to figure as the leading winner of her age. That honor fell to the staying, old-fashioned plodder, Moscowa, mainly through his success in the Latonia Cup last fall, which gave him $7,825 of his total. St. Charlcote, a capital young jumper, was second to Moscowa in money won, gathered through his prowess in steeplechasing. A really good race horse, but probably hard to keep on edge, Marion Gcosby finished third, only the trifle of $17 behind St. Charlcote in total earnings. Only three five-year-olds won $10,000 or more, but Runes was not far away from that mark. To the good selling plater, Obolus, belongs the record of having won the most races. The sprinters, Top o' th' Morning, Vogue, Solly and A. N. Akin, all won satisfactory sums, Solly's return to racing in fine form being one of the features of the Latonia fall meeting. Rancher was hardly as good as in 1916, but ran some good races. Lady Rotha, Manager Waite and Embroidery did some excellent racing at times. Altogether our best five-year-olds were more than useful and the records of the thirty most successful money winners were:

LATEST METROPOLITAN TURF GOSSIP

Snow Storm Stops Training Operations at Long Island Tracks—H. G. Bedwell's Plans.

New York, January 22.—According to advices received here, Henry Porter, the oil king, who bought extensively at the Corrigan sale, will not begin his racing career in this section, but will start proceedings in Kentucky. While Harry Morrissey has not yet applied for a trainer's license, he will have charge of the Porter stable. He has practically decided to give up his position as starter on the Kentucky tracks and devote his time to preparing the Porter horses for racing and attending to his breeding farm in Kentucky. Morrissey's experience has been from the bottom of the ladder, being one of the expert jockeys in the days of Gloucester, an exceptionally good assistant starter and eventually a successful man with the flag. The story is told that his close associations with Mr. Porter came about through a friendly financial transaction a short time ago, which proved both timely and beneficial to both men.

Another deep snow storm has put a stop to all winter training operations in the local stables.

Quite a number of horsemen and followers of turf affairs, are preparing for the Hot Springs racing season. Some will move as soon as railroad transportation can be arranged.

SHORTAGE OF COAL CAUSES CONCERN.

Shortage of coal in local winter training quarters is causing trainers quite some concern. Conditions are beginning to look serious. So far neither man nor horse has felt the situation acutely, but the prospect of fireless days is looming up prominently in some training quarters, unless relief comes quickly.

H. G. Bedwell was in the city yesterday. He will start the season at Pimlico with twenty-five horses, twenty of which will race on the flat and five over the jumps. It is probable he will confine all his racing to the east this year. The entire string belongs to J. K. L. Ross. I Barrett will ride the jumpers and Taplin the flat runners. The horses at the present time are wintering at the Bedwell farm in Maryland.

Five mares consigned to A. B. Hancock, purchased at the December sales in England, arrived here Sunday and were yesterday shipped to Claiborne Farm in Kentucky.

Pneumonia is rampant at Belmont Park. Two boys in Karrick's stable named Flynn and Boston, are down and Jerry Carroll's foreman, named Jones, is also afflicted. One of Sandy McNaughton's boys, L. Haggerty, has also been attacked.

Notwithstanding the severe weather, there is not a sick horse at Belmont Park.

FARMERS APPEAL TO PRESIDENT

Washington, D. C., January 22.—An appeal to President Wilson to speed up governmental machinery in aid of production in such manner as to relieve the anxiety of farmers as to labor supply, credit facilities, seed shortage and other vital questions, was made today when the Federal Board of Farm Organizations presented a memorial to him in behalf of more than 2,000,000 organized farmers.

The board asks consideration of its memorial by the President and a reply to be given them when farm leaders of America assemble in Washington on February 6. At that time representatives of the seven national farm organizations comprising the board, together with a number of state masters of the Grange and heads of the Society of Equity and other bodies, will seek an audience with the President to discuss constructive plans.

ARGENTINA'S STAR THREE-YEAR-OLD

Argentina rejoices in the prowess of what is considered the best three-year-old ever foaled in that far southern land. His name is Botafogo, belongs to Senor Diego de Alvear, is by Old Man, an Argentine-bred stallion by Orbit—Moissonneuse, by Dollar (son of the Flying Dutchman). His dam, Korea, is by Raeburn—Ulla, by Barcaldine.. Some weeks back he won the Gran Premio Nacional at a mile and a half and 110 yards in a canter, it being Argentina's principal race for three-year-olds and of the value of 75,000 pesos to the winner More recently he won the Gran Premio Carlos Pellgrini at a mile and seven-eighths in grand style, the combined value of the two rich races being $53,385.

ULTIMA THULE RICHLY ENGAGED

Eligible to Many Valuable Stakes to Be Decided This Year in Both East and West

The future activities of Ultima Thule, purchased by H. A. Porter at the recent Corrigan dispersal sale, especially during the present year, is a subject of interesting discussion in turf circles. Perhaps no thoroughbred engaged in the 1918 campaign is eligible to more rich stakes than this good son of Ultimus—Rubia Granda and it goes without saying that the successes he piles up during his three-year-old career will be governed entirely by his development.

John Whalen, who trained for the Corrigan stable last year, has the utmost confidence in the future of Ultima Thule and it was due to this confidence that no stake of importance was overlooked in making the colt's engagements. Not only is he eligible to all the important three-year-old fixtures, but was named for most of the handicaps that already have been closed, as well as several selling stakes.

Whalen made it known as early as last fall that he intended to point Ultima Thule for the Kentucky Derby and so far as known, these plans will not be altered by the change in ownership. Mr. Porter is a western man, has large turf interests centered in Kentucky and it is only natural he would have ambitions to place to the credit of his stable the most important and popular three-year-old stake on the western turf. If Ultima Thule starts in the Derby, the showing he makes will in large measure govern his 1918 activities.

The first engagement of Ultima Thule in the east is in the Metropolitan Handicap, that annually opens the Belmont Park meetings. Following this, he is engaged in the Toboggan, a three-quarters sprint over the straight course, the Belmont, Withers and Lawrence Realization, as well as the Harlem and Hollis, both of the latter selling stakes. His other 1918 engagements are in the Westchester, Suburban, Saratoga and Travers. If he measures up to the predictions of Whalen, he undoubtedly will be sent to the post in some, if not all of these rich events, where he will have an opportunity to try conclusions with the best of them.

J. E. MADDEN'S PRETENTIOUS STABLE

Master of Hamburg Place Has Thirty-Seven Horses in Winter Quarters at the Downs.

Louisville, Ky., January 22.—John E. Madden has thirty-seven horses in winter quarters at Churchill Downs. Madden will take up his quarters at Louisville at once and superintend the preparation of his charges for the races this spring. Most of his two-year-olds are by his premier stallion, Star Shoot.

Madden some time ago admitted he had made $1,000,000 out of the race horse business and he looks as if he is going to roll up another million before he retires from the sport.

Madden, though, has recently declared his sons in with him from now on. One of his sons, Edward, is a captain of cavalry and is located at Camp Zachary Taylor. He is a big, strapping fellow.

Madden himself was an athlete in his younger days. It is said he was a ten-second man at 100 yards and when it came to vaulting he was in a class by himself. The effects of Madden's early training are apparent now as he is about one of the best preserved men for his age in the country. He can leap over a five-foot fence without touching it with his hands.

AWAITING ARRIVAL OF KILMER HORSES

Sun Briar and Stablemates Expected at Churchill Downs During Present Week.

Louisville, Ky., January 22.—The population of Churchill Downs, human and equine, is on a watchful eye, for it is reported that the shipment of horses owned by Willis S. Kilmer of Binghamton, N. Y., is due to arrive any minute. Included in the shipment is the champion two-year-old of 1917, Sun Briar. It was announced that the shipment departed from New York the latter part of last week, but no advices have been received at the Downs since that time to indicate when the shipment will get here.

SASIN WINS MAIN RACE

Defeats Good Opposition in Principal Offering at Fair Grounds.

Aztec a Repeater—Jockey Estep Ruled Off the Turf—Punishment for C. Grand.

New Orleans, La., January 22.—Clarence Buxton furnished the winner of the main race of today's program at the Fair Grounds, when his greatly improved racer Sasin defeated Redland and Waukeag in the fourth race at one mile and seventy yards.

Aztec, which graduated from the maiden ranks yesterday, came right back again this afternoon and won the opening dash, displaying speed and stamina of a high order.

Waterproof, under Robinson's skillful riding, held Euterpe and Royal Interest safe in the fifth, while Mary H. defeated Pilsen in the second.

Mirza proved a surprise in the third, when he accounted for the mile and a quarter race, in which Ampere II. and Lady Worthington were most fancied.

Today's racing was over a much improved track, which showed further improvement as the afternoon progressed and all indications point to a good course for tomorrow's sport.

Jockey Connelly was forced to cancel riding engagements for Monday, due to an injury to his eye sustained last Saturday when he was struck in the eye and neglected to take care of it.

The appearance of Kultur in Monday's second race marked his first start since at Oaklawn last spring.

MONUMENT FOR PAN ZARETA.

Pan Zareta, which died last Saturday, was buried Sunday in the infield of the Fair Grounds track and a monument will be erected.

For practices prejudicial to the best interests of the turf, jockey Roy Estep was ruled off for life by the judges at the Fair Grounds yesterday afternoon. It is alleged that he was involved in a deal to run away with $1,500, which a prominent local attorney had given him to buy a horse for him. The money was recovered, $1,100 of it in a letter which Estep admitted he had addressed to himself at San Francisco, Cal., where he was headed when arrested.

C. Grand has been denied the privilege of the course for misuse of the badge privilege.

Prince Harry and Berlin were excused from starting yesterday afternoon because of minor ailments.

Jockey A. Johnson was back in the saddle yesterday afternoon, his six days' suspension by the starter having expired.

Jockey Majestic was yesterday afternoon suspended for six days by the starter for disobedience at the post.

Commissioner Garfield's heatless and lightless day order was effectively in force yesterday afternoon, not a fire being in use at the plant. The people felt the absence of much needed light.

For downright consistency, there isn't a steadier horse at the Fair Grounds than Sam Louis' gelding Green Grass. This little gelding is fighting it out at all times and doesn't seem to mind weight or distance.

Horses reported ready for a gruelling race at the Fair Grounds include Buford, Bondage, Hauberk, Violet Bonnie, Jas. T. Clark, Jock Scot, Assume, Chemung, W. H. Buckner, Tom Caro and Amalgamator.

VALUABLE COLT MONASTIR IS DEAD

Highly Prized Two-Year-Old Owned by K. D. Alexander Passes Away at Douglas Park.

Louisville, Ky., January 22.—Monastir, a two-year-old bay colt by Broomstick—Starry Night, owned by Kenneth D. Alexander, who is now serving with an ambulance corps in France, died at Douglas Park this morning after an illness of ten days. The cause of death was given as strangulation, following an acute attack of distemper. Mr. Alexander was notified by cable of the death of the colt.

Monastir was valued at $20,000, but was not insured. He was regarded as the best-looking juvenile in Kentucky and in his early trials had worked faster than any youngster in the state. He was also one of the best-bred of this year's crop of two-year-olds.

At the time of his death the colt was in charge of J. S. Ward, who had been handling him since W. J. Young left here to take charge of the stable of John Sanford. Mr. Ward is also training for Mr. Alexander, the crack colt Escoba, a prospective starter in this year's Kentucky Derby.

HUNT CLUBS WILL RACE IN VIRGINIA

Baltimore, Md., January 22.—The success of the Warrenton meeting last fall is more than likely to bring a regular circuit of meetings next autumn at various points in the hunting districts of Virginia. Plans are already under way for a two days' meeting at Upperville and the intention of those in charge is to offer several rich features that will tend to attract some of the best horses of the north, as well as the local stars.

The idea is to organize a regular association and the officers will be gentlemen of prominence that are, and have been for many years, keenly interested in the breeding and development of thoroughbreds.

Another point where racing will be held is at the old Alexander Island track, just across the Potomac river from Washington. The property is now owned by several well-known turfmen of the nation's capital and they have leased it to the Washington Horse Show Association. The track and buildings have been put in good condition and a number of improvements are planned, which will make the place a thoroughly first-class center for those interested in amateur racing and hunting. A steeplechase course will be built, where horses can be schooled practically the year round and stables will be provided for the shelter of horses owned by members.

There is no intention of holding regular race meetings. The idea is simply to provide a place where members and their friends can personally take part in the development of their horses and to provide each spring and fall two days of racing, with all the races practically conditioned for gentlemen riders or for officers of the United States army.

J. H. ROSSETER BUYS MARE COQUETTE

Lexington, Ky., January 22.—George H. Strate, acting for John H. Rosseter of California, today bought the six-year-old mare Coquette, by Celt, dam Adriana, by Hamburg, from John E. Madden. He also is in on a deal for a two-year-old by Dick Finnell and two other mares.

The yearlings Vere de Vere, Uncover and Masked Dancer, which were purchased for W. R. Coe at the recent Wickliffe Stud sale, have been transferred from Kingston Farm to Harry Morrissey's Kempland Farm.

Harry Morrissey has the Henry A. Porter string quartered in the barn formerly occupied by W. J. Young at the Kentucky Association course.

John Miller is preparing to leave for New York Friday with a shipment of thoroughbreds for various owners. He has room in the car for four more.

DAVIS STABLE IS WINTERING WELL

Baltimore, Md., January 22.—The horses of Captain J. E. Davis, wintering at Benning under the supervision of Matt Brady, are all said to be in good condition. The star of the band is, of course, Brooks, winner of the Manly Memorial at Pimlico last November. This horse is perhaps a little out of the ordinary in jumpers, for the reason that he can still win flat races and from good sprinters. Melodrama is another highly thought of. In the Harbor Hill Cup, run at Piping Rock, he fell at the last jump, after soundly beating his opponents, included in which was Town Hall, generally rated the topnotcher of the three-year-olds. Vifir, winner of the Harbor Hill in 1915, is another of which great things are expected. This horse was lame all of last year, but now seems to be recovered.
